About the Society

AMDA — The Society for Post-Acute and Long-Term Care Medicine is the only medical specialty society representing the community of over 50,000 medical directors, physicians, nurse practitioners, physician assistants, and other practitioners in the post-acute and long-term care continuum. We advance our mission through timely professional development, evidence-based clinical guidance, and tireless advocacy on behalf of our members, patients, families, and staff.

Save the Date for AMDA’s New Leadership and Ethics Symposium

AMDA’s inaugural Leadership, Ethics & PALTC Virtual Symposium will take place November 20-21, 2020. Open to everyone in the PALTC setting, the live, online, interactive program will focus on the myriad leadership and ethical challenges that have emerged because of the COVID-19 Pandemic. Please visit https://paltc.org/leadership for more details on the program, schedule, learning objectives, and credit information.

Poster Abstracts Being Accepted Now for PALTC21

The Annual Conference Program Planning Subcommittee is now accepting abstract proposals for the 2021 Annual Conference being held March 11-14 in San Antonio, TX. The deadline for poster abstract submissions is November 19, 2020. To submit or for more information, go to https://www.abstractscorecard.com/cfp/submit/login.asp?EventKey=IMDZQBAA.

Register for the Core Curriculum

The Society’s Core Curriculum on Medical Direction in Post-Acute and Long-Term Care is the only program of its kind, offering comprehensive instruction on management and leadership within the PALTC setting—as well as CME, ABIM MOC, and CMD management credits. The course is divided into two parts: The Online Core Curriculum and a Core Synthesis Weekend. Learn more and register at https://apex.paltc.org/page/core-curriculum-on-medical-direction.

Webinars for Everyone

AMDA provides live webinars throughout the year. They are free for members and $99 for non-members. Experts present relevant topics in PALTC; participants can earn continuing education credits from their home or office. They are now offered at different times (afternoon and evening) to suit your schedule; they are also recorded and made available shortly following the live event. Go to https://apex.paltc.org/page/live-webinars to learn more.
